

Judith Ann (Smith) Hill STEM Scholarship Application

The Judith Ann (Smith) Hill STEM Scholarship is designed to reduce financial barriers for Milwaukie High School (MHS) senior women students with academic and leadership potential and a demonstrated desire to major in and pursue a career in science, technology, engineering and mathematics (STEM).

Preference will be given to student(s) who might not otherwise be able to attend college. In addition to financial need, preference will be given to first generation students (those who do not have a parent with a four-year college/university degree or who have faced other equally challenging life circumstances).

Although students attending out of state schools may apply, more points may be awarded to students attending a college or university in Oregon or in the bordering states of Washington, Idaho or Northern California

Please submit the following as two separate documents;

1. A Counselor Recommendation Form located at nc-foundation.org/applications– all scholarship applicants must submit this form, only one form needed per applicant if submitting multiple scholarship applications, **applications will not be considered without this form.**
