Alex Hudson Memorial Scholarship Application

Description

The Alex Hudson Memorial Scholarship is for North Clackamas Schools students choosing to pursue a life and career in public service. Values that Alex's family wishes to honor in his memory include giving back to the community and service to others, especially people who are different or most vulnerable.

The scholarship may be used for a 4-year, 2-year, or certification program of study.

Purpose

This scholarship was created by the friends and family of Alex Hudson. Alex was bright, gentle, and curious. Alex was a person with autism, and his path in life was not easy. He did not have the same educational opportunities as his peers or his sisters. Alex's impact on the lives around him brought laughter, care, and most importantly, grace. One of his sisters is a special education teacher in the North Clackamas School District, a career inspired by Alex. This scholarship is intended to inspire the recipient in a similar way.
